

## 2009 Camp Program

Camp week consists of 5 days of riding. Campers arrive between 2:00 p.m. and 5:00 p.m. Sunday afternoon and leave Friday after lunch. Parents are welcome to stay for Sunday evening barbeque.

### Camp week includes:

- 2 riding lessons each day
- Theory lessons throughout the week
- Trail rides and schooling over cross-country fences
- Swimming
- Heated, permanent accommodation in log cabin
- Evening tuck shop and sing song
- Regulation size indoor riding arena - weather is no problem!
- Large outdoor riding rings
- Miles of beautiful trails
- Mini schooling show at week's end

All activities are fully supervised and safety is stressed. One week has been set aside for an adults only riding camp.

Campers are with horses constantly - learning how to care for them and their tack.

Camp is open to all - Beginner, novice or the more advanced with or without their own horse. You can bring your own, or we will provide a well-trained school horse for your own use during the camp week.

Day camps are also available.
